

Rockland

Benefiting from a strong brand awareness with Montrealers, Rockland is well-rooted in its community. By expanding its commercial and service offer according to the evolving needs of its customers, Rockland enjoys a special proximity with its clientele and is part of their daily lives.

The centre is easily accessible by car through a vast and safe multi-level parking lot that can accommodate a large number of vehicles, near the main entrances. Rockland is also accessible by public transit, including buses and metro.

Highlights

The University of Montreal, located near Rockland, has recently built a new pavilion that host approximately 2,000 students, 200 professors and hundreds of support staff – resulting in several housing (condos) and other real estate development projects.

Located within 4 km of the new Montreal Artificial Intelligence Hub, where many leading companies are located, including Microsoft, Google, MILA, Samsung, Facebook and The Royal Bank.
